WHIRLWIND

1966

SANTA CRUZ VALLEY UNION HIGH SCHOOL
ELOY, ARIZONA

FOREWORD

Our changing environment at Santa Cruz High has been affected by additional class-room space, and by an increase in the faculty membership. The administrative offices were enlarged and a new Science and Home Economics building was erected. These are only a few of the various changes that have been made during the past year at Santa Cruz. As the time progresses, the growth of the school, the additions to the school and the increase in faculty members indicate the interest in education which is prevalent in our society.

It is our pleasure to introduce the 1966 "Whirlwind" to you, and we hope that you will become a part of it.

DEDICATION

To you, Mr. Scott, Guidance Counselor and WHIRLWIND sponsor of Santa Cruz High, we proudly dedicate the 1966 edition of the WHIRLWIND.

Mr. Scott was Assistant Principal, Guidance Counselor, and a teacher during the years 1960-1964. Last year he was assigned the position of Guidance Director. Mr. Scott has held the respect of the students while maintaining good discipline. He shows his respect and concern for students not only by sponsoring the WHIRLWIND and maintaining his duties as Guidance Director, but also by his everyday association with them.

Because of his outstanding work as a teacher, as a sponsor, and a friend, the members of the WHIRLWIND staff are proud to dedicate the 1966 WHIRLWIND to MR. CLAIR C. SCOTT.

FACULTY AND ADMINISTRATION

Those who educate children well are more to be honored than even their parents, for these only give them life, those the art of living well.—Aristotle

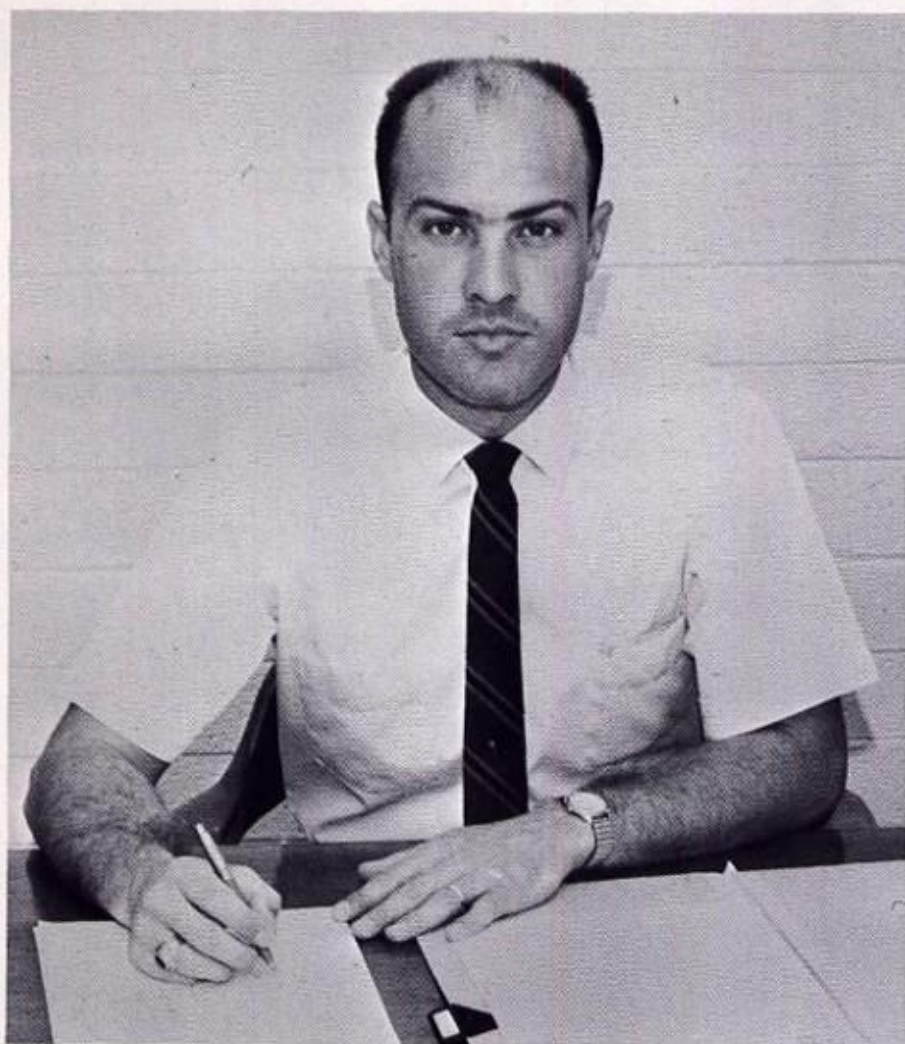

SUPERINTENDENT'S MESSAGE

We must adapt our educational program and facilities to the increasing demands of our free society, and it is the definite purpose and obligation of the administration, faculty, student body, and community to keep our school system abreast of these needs. We are quite proud of our new facilities this year, and the additions to our curriculum and faculty, and I am especially thankful to the members of the Whirlwind Staff for their efforts depicting the many facets of our school life to the Student Body.

SCHOOL SPIRIT

What is "School Spirit"? A type of studious ghost? Yes, it's something like that; at any rate it's a ghost that roams around your school, makes you stoop over to pick up that gum wrapper so you can be proud of your school's cleanliness, prods you into cheering for even your losing team, and keeps you from hissing the rightful winners.

It's a busy ghost—and do *ghosts* ever die? This one can, if it's not *kept* busy.

Our ghost really lived it up this year. Le'ts keep him healthy.

P. FOR PRECISION . . . E. FOR EXERCISE

PHYSICAL EDUCATION

The late John F. Kennedy did more for developing a physically fit nation than any other president. He was young and vigorous, and could see that a nation of our caliber must have equally strong and healthy citizens. Thus was born the Physical Fitness Program in America.

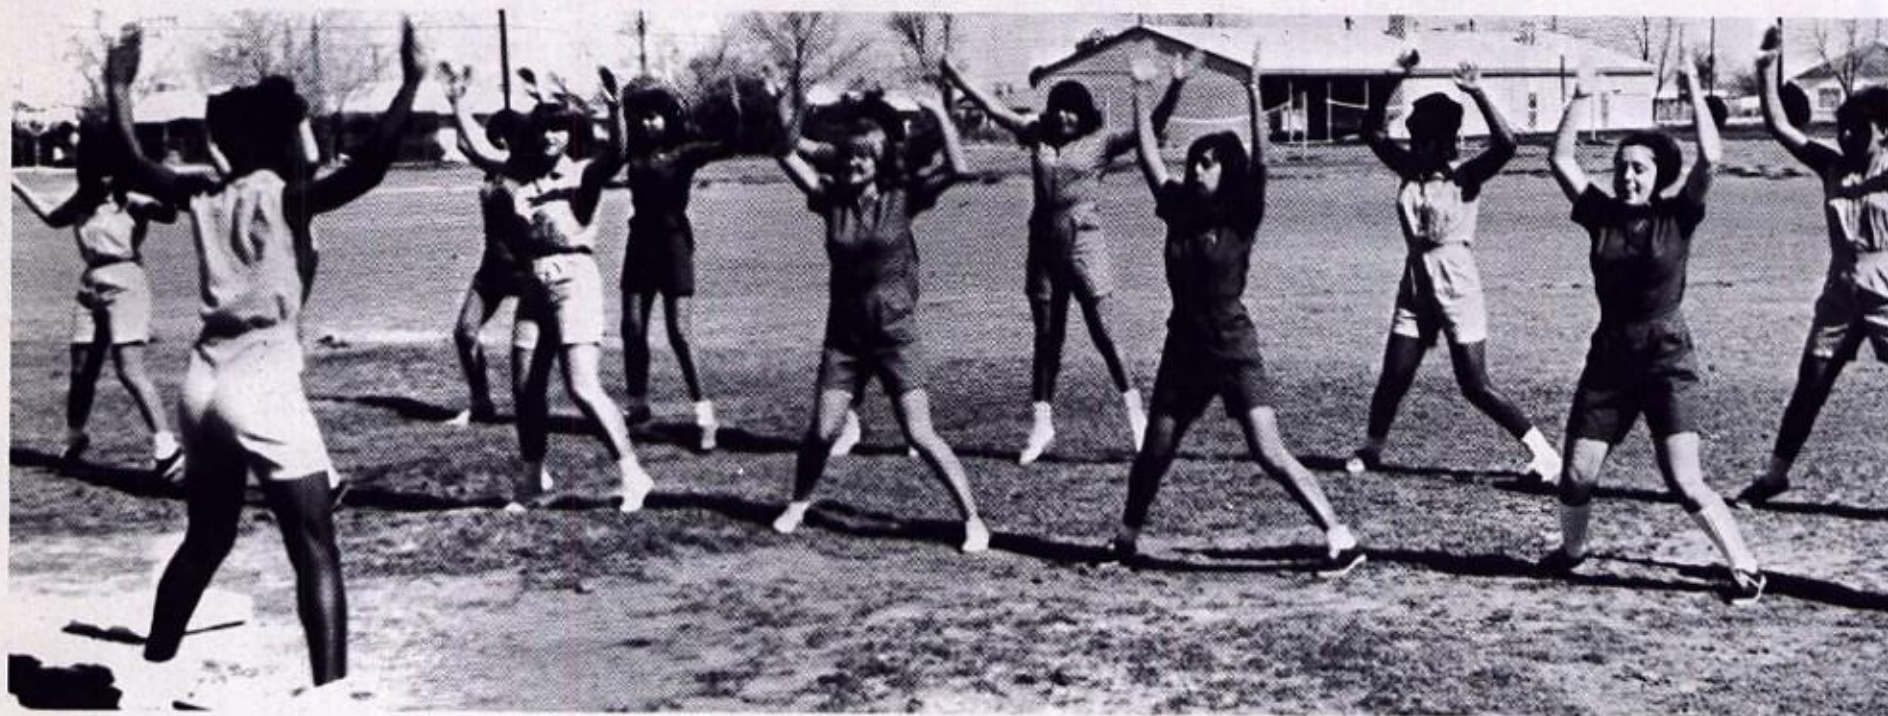

Today, all of our schools try to provide active exercise for strengthening their student's bodies as well as academic courses to enrich their minds. At S. C. two years of physical education is advised, unless ability to participate is limited. Everyone should take advantage of this program—not only for their own benefit, but also for their Country's.

IN MEMORIAM

The setting sun makes a silhouette
Of the Desert, encompassed in lone-
liness.

Night's peace draws close;
and those gone by

Yearningly watch over Santa Cruz High.
Happiness praises dawn's silvery fire,
Its brightness enthralled by a silent
choir.

From the silver-tinged heavens our
beloved ones pray,
In hope that we Carry On in every
way . . .

Leonard Rhodes,
A Friend . . .

As Editor of the 1966 WHIRLWIND, I would like to express my sincere thanks to Mr. Scott, the staff members, and Mr. Johnson for putting so much effort and hard work into this yearbook's production. Without their help, it would have been impossible.

I would like to extend my sincere thanks to those who have made this yearbook possible: Linda Waddle, Sections Editor; Evelyn Cornman, Advertising; Myrna Keeling, Classes; Madeliene Williams, Music; Debbie Weeks, Organizations; Leola Ordway, Athletics; Harriet Thompson, Honors; Jimmie Huie, Clara Hererra, Janice Waddle, Shirlene White, Carolyn Etheredge, Danny White, Philip Thompson ... for doing such a wonderful job. Many thanks also go to Mr. Johnson, our photographer, and to our wonderful sponsor, Mr. Scott. These people have put out a tremendous amount of work and effort.

I have truly enjoyed editing the 1966 WHIRLWIND. It has been both an experience and a pleasure I will never forget.

May this book leave you with fond memories which you will cherish forever.

any more who to add to the
list of friends & those who need
to be in the yearbook
with me. I hope that our
